

Washington-Lee Alma Mater

With faith in thee eternally
We hail the Blue and Gray,
For thy proud walls and hallowed halls
We honor thee today.

As time now moves, each hour proves
How strong our bond has grown.
And through each year, we hold so dear
The memories we own.

[CHORUS]

Washington-Lee, Washington-Lee
Humbly for thee do we pray.
Oh, may thy guiding hand be ever our command,
Show us thy truth and thy way.
